

Dear Wallowa Fiddle Tunes Campers,

Please enjoy reading the following material regarding what to expect at camp. Hard copies will be available when you check in on Sunday, July 10, starting at 3 PM.

Afternoon electives will be even more enjoyable if you can bring a secondary instrument to us - tenor banjo, banjolin, guitar, fiddle, upright bass, penny whistle, mandolin, harmonica, or bodhran to name a few possibilities.

The Wallowa School District has requested that we have no alcohol, drugs, or firearms on school property. Dogs are welcome on the grounds, and must remain on a leash and be cleaned up after.

Quiet hours are 11 PM-7 AM.

Many of us will be camping, which feels rather rustic at times, you might consider packing some of these items:

Chairs (armless are best for musicians)

Folding table

Flashlight/Headlamp

Mosquito/bug repellent

Sunscreen and Hat

Rain gear

Camping stove

Cooler (ice is available at the local market)

Awning (weather protection/shade)

Drinking water storage container

Ear plugs (early morning log trucks do run)

Recording device

Extra instrument strings

Small bills (snacks, coffee, instructor's CDs)

Lawn games

Your camp instructor will be contacting you soon to share recordings, lesson plans or to answer questions.

I look forward to seeing you soon!

~Robyn Leeandra Burns~

# Wallowa Fiddle Tunes Camp 2022

## Afternoon Electives

| Instructor name         | Monday<br>11-Jul-22<br>2:30-3:30 pm                                                                                                         | Tuesday<br>12-Jul-22<br>2:30-3:30 pm                                                                                         | Thursday<br>14-Jul-22<br>2:30-3:30 pm                                                       |
|-------------------------|---------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------|
| Carla Arnold            | Be the life of any small musical gathering: Learn to dance and teach a simple, and fun community dance.                                     | Introduction to locating finger patterns on the fiddle for playing the root of basic 3 chords (1, 4 and 5) in multiple keys. |                                                                                             |
| Kat Bula                | Musical Anatomy (Chords, Intervals & Other Moving Parts)                                                                                    | Musical Anatomy (Chords, Intervals & Other Moving Parts)                                                                     | Musical Anatomy (Chords, Intervals & Other Moving Parts)                                    |
| Matt Bell               | Multiple Musical Guitars: Understand the roles and ranges of various other instruments to make 3 or 4 (or more!) guitars sound like a band. | Guitar Tricks: Bass Run's, Kickoff's & Fills (for guitar and other instruments)                                              | Learn the World's Greatest Song in Only 1 Hour                                              |
| Duane Boyer             | Yodeling, 3-part harmony singing, or different levels of three-finger style Bluegrass banjo                                                 | Yodeling, 3-part harmony singing, or different levels of three-finger style Bluegrass banjo                                  | Yodeling, 3-part harmony singing, or different levels of three-finger style Bluegrass banjo |
| John Raines (volunteer) | Rhythm Guitar/back-up guitar                                                                                                                |                                                                                                                              |                                                                                             |
| Kate Lichenstein        | Fiddling with octaves - playing tunes in low and high registers to add energy and interest to your jam.                                     | Let's write a fiddle tune - we'll each contribute and make new old-time music.                                               | Let's write a fiddle tune - we'll each contribute and make new old-time music.              |
| Isaac Olson             | "The metronome is not what you think: deep listening, empty spaces, and DIY neuroscience"                                                   | "The metronome is not what you think: deep listening, empty spaces, and DIY neuroscience"                                    | "The metronome is not what you think: deep listening, empty spaces, and DIY neuroscience"   |
| Andy Emert              | Fun and easy fiddle tunes with added minor chords.                                                                                          | Harder fiddle tunes with minor chords.                                                                                       | Several waltzes for fiddle, guitar and feet.                                                |

## Wallowa Fiddle Tunes Camp 2022

### **Volunteers Needed!**

We have volunteer opportunities for non-student family members:

#### **MINI-MUSIC CAMP**

Mark Emerson, our Mini-Music Camp Director, is interested in a morning volunteer or 2 who love kids. Their duties would include helping with snack time and also assisting with helping get campers from inside the school to outside. They would not be required to sing, dance, or play any instruments.

#### **KITCHEN HELP**

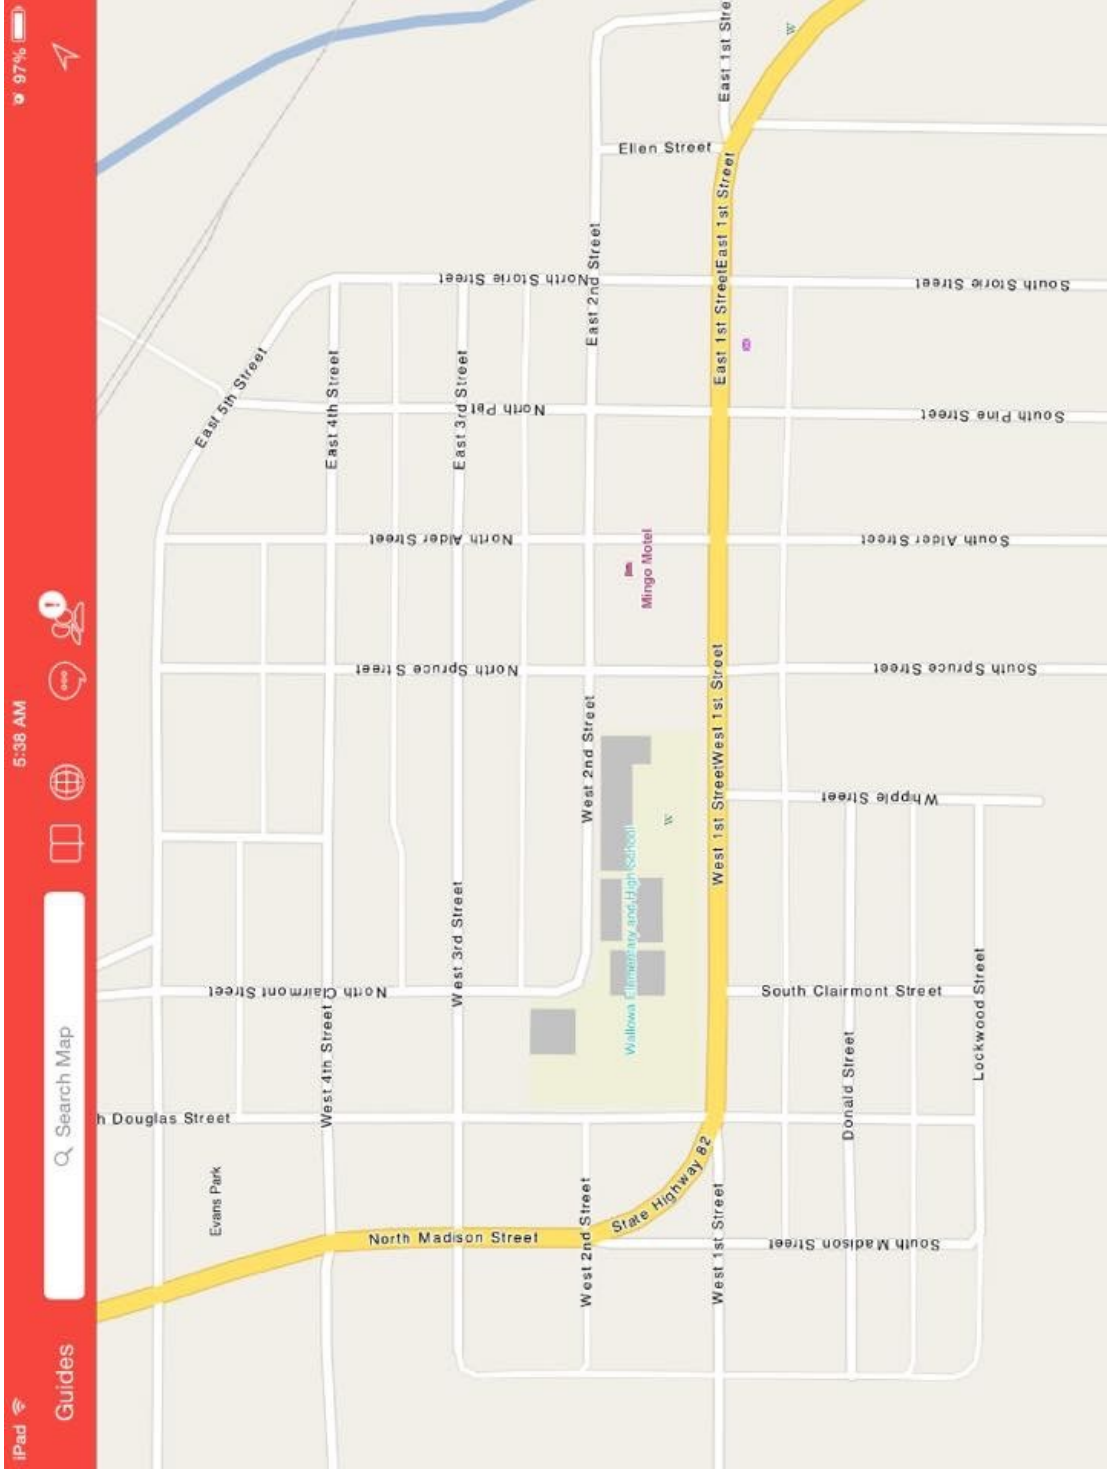

Kelsey Juve, our camp caterer, is interested in trading 1 or 2 hour kitchen shifts for 1 delicious camp lunch. This is a chance to hang out with other creative culinary individuals, help the camp run smoothly, and make new friends. Work shifts are Monday through Friday, between 10 am and 2 pm.

If interested, please let me know,

~Robyn
